

At Valor, parental involvement is appreciated and encouraged, and we recognize that a key ingredient to getting involved is staying informed! Our Communications Team has been hard at work to make information easier for you to find when you need it. Follow these steps to ensure you're aware of the many beautiful things happening at Valor North Austin:

**1. Bookmark the Valor North Austin website.**

On the homepage, scroll to the bottom to find our School Calendar, which includes dates and details of all upcoming events.

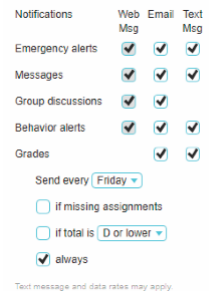

**2. Ensure this Weekly Parent Newsletter arrives in your Primary Inbox.**

Sometimes this newsletter will land in the "Promotions" or Spam tab of providers such as Gmail, making it easy to miss. Simply move this newsletter to the Primary tab to ensure future emails will land there.

**3. Sign up for both Text and Email Notifications in Jupiter Ed.**

In addition to JupiterEd emails for report cards and teacher communications, we occasionally use JupiterEd texts for time-sensitive alerts. To receive these alerts, please opt in to all four types of text notifications under "Settings" in your JupiterEd account.

**4. Reach out to us!**

For any event-related or general school information questions you might have, contact the Communications team at [info.northaustin@valoreducation.org](mailto:info.northaustin@valoreducation.org). We regularly monitor this inbox and will respond as quickly as we can.
